

Elmbrook Preschool

Elmbrook Preschool provides a warm, caring and accepting environment for all children. We encourage the cognitive, emotional, social, and physical growth of each child by providing developmentally appropriate activities. We believe each child is capable of learning when given the opportunity to do so at their own pace in a safe, comfortable environment, with teachers who recognize individual abilities and learning styles.

Elmbrook Preschool is a half-day morning preschool offering K3 and K4 classes:

- **Monday/Wednesday**
- **Tuesday/Thursday**
- **Monday/Wednesday/Friday**
- **Monday – Thursday K4**

-All students have the option of bringing a lunch and staying until 1:00

-We are on a school year calendar, beginning the week of Labor Day and ending the week of Memorial Day.

Our program is play-based, giving children plenty of time to be creative, make new friends and learn new skills. Daily activities include:

- Circle time
- Art project
- Story time
- Snack time
- Music class (one day/week)
- Outdoor play - We have a playground and a large indoor space for physical play.

We have four classrooms, and we are a small school, with a family-like atmosphere. All of our teachers have college degrees and several years of teaching experience. They communicate with parents daily, sharing class activities and photos.
