

# Admissions Application

We are thrilled that you are considering Our Beginning as your child's place of education! Each child requires their own application and fee in the amount of \$150 per child. This is a non-refundable fee and will place your child(ren) in our wait pool for current or future openings. It does not guarantee enrollment at Our Beginning. The application fee does not credit towards any future tuition costs. After submitting the application, families will receive an email confirmation. Please follow the instructions below to complete the application fee payment. Email completed forms to [admissions@ourbeginning.com](mailto:admissions@ourbeginning.com).
